Illuminate your artwork with timeless sophistication using the Firstlight 4894AB LED **Picture Light**. Crafted in a rich antique brass finish, this 450mm wide fixture combines classic charm with modern efficiency. Its striking curved arm and adjustable head allow for precise light direction, ensuring your paintings, photos, or wall décor are beautifully highlighted.

Designed with an integral 8W LED, it delivers a warm 3000K glow and a generous 682 lumens of output, ideal for creating a cozy, gallery-like ambiance. The fixture is non-dimmable, features a Class II rating, and includes a built-in LED driver for easy installation. With a projection of 175mm, it offers a sleek profile that complements both traditional and contemporary interiors.

Perfect for living rooms, hallways, or home galleries, this picture light is backed by a 3-year guarantee, ensuring lasting performance and style.
