

Mask

Mask LED Dimmable Picture Light 380mm 2700K 240V
Satin Nickel 7.5W

MASK380/SN

Satin Nickel 7.5W
Quicklink: Q6DBE

Mask picture lights are an excellent choice for illuminating artwork in both residential and commercial spaces. Featuring a sleek, linear design, they are available in three luxurious finishes. With a warm, dimmable 2700K light output and a seamless light strip,, they enhance and bring artwork to life. The adjustable arm allows you to direct the light precisely where it's needed, ensuring perfect presentation every time.
