Lumens Per Watt	44 lm/W

Transform your bedroom with Vector Surface Bedside Wall Light, a modern wall-mounted lamp that combines elegant design with practical functionality. Featuring a built-in switch for easy control and dual USB charging ports (USB-A and USB-C) with an output of 5V 2.1A., this light is perfect for powering smartphones, tablets, and other devices without cluttering your space.

Its energy-efficient LED technology delivers warm, ambient illumination, creating a cozy atmosphere while reducing energy consumption. Ideal for bedrooms, guest rooms, and hotel suites, this switched wall light offers a minimalist look that complements any décor. Durable and stylish, it's the ultimate choice for those who want convenience and contemporary design in one sleek fixture.
