Add a magical touch to your holiday décor with 5mm LED String Fairy Lights. Featuring 720 multi-colour LEDs on a 72-meter LEDs string, these lights are perfect for both indoor and outdoor use. The total length is 77 meters, including a 5-meter transformer cable.

Enhance your holiday decor with these versatile and vibrant RGB LED string lights, perfect for Christmas trees, parties, and outdoor decorations **LED String Fairy Lights** offer an alternative to conventional string lights, the small LEDs provide longer lamp life, better light efficiency as well as a brighter and more vivid colour.

Please note: the transformer must always be kept indoors in a dry place or in an approved waterproof outdoor socket. The LEDs themselves are 31V but includes a power adaptor to plug them directly into a 240V 13A socket.

Multi-function memory controller included to create the following effects:

- Comb
- In Waves
- Sequential
- Slo-Glo
- Chasing / Flash
- Slow Fade
- Twinkle / Flash
- Steady on
