

# Flow Shade

Flow 500 Shade  
White Fibre 500mm

## FLOW 500 5049002

White Fibre 500mm  
Quicklink: Q6E17

Defined by a continuous steel and sprayed resin form, Flow 500 brings a sculptural modern accent to hospitality and residential interiors. Suitable for bar, dining, and bedside applications, its dual openings deliver balanced illumination, expanding pendant options for a cohesive scheme. For more intimate settings, Flow 350 offers the same distinctive design in a smaller size.
