Flow 350 Shade

White Fibre 350mm

FLOW 350 5049001

White Fibre 350mm

Quicklink: Q6E18

Defined by a continuous steel and sprayed resin form, Flow 350 brings a sculptural modern accent to hospitality and residential interiors. Suitable for bar, dining, and bedside applications, its dual openings deliver balanced illumination, expanding pendant options for a cohesive scheme. For more intimate settings, Flow 350 offers the same distinctive design in a smaller size.
