Enhance your home with the sleek and timeless design of the Astro Blend Wall Light (Model 1439001) – a beautifully crafted indoor lighting solution that brings soft, ambient illumination to any modern living space.

Designed by Astro Lighting, a leader in premium British lighting design, this wall light combines elegant aesthetics with versatile functionality. Its subtly fluted plaster construction flows into a smooth, curved form, creating a refined architectural look that complements contemporary and minimalist interiors. Key Features & Benefits

- **Elegant Plaster Finish:** Matte white plaster offers a crisp, tactile surface that can be left natural or painted to match your décor.
- **Soft Ambient Light:** Casts a gentle glow up and down the wall that enhances atmosphere in hallways, living rooms, bedrooms, and dining areas.
- **Bulb Flexibility:** Uses 1 × 12W max LED E27/ES bulb (not included), allowing you to choose brightness and colour temperature to suit your space.
- **Dimmable Capability:** When paired with a dimmable LED lamp and compatible dimmer, enjoy adjustable mood lighting.
- **Indoor-Ready:** IP20 rated for indoor use and Class I earthed for safe installation.
- **Simple Installation:** Supplied with mounting screws and clear instructions for horizontal wall fitting.
