Lumens	760 lm
Lumens Per Watt	95 lm/W

The **Virelle bathroom wall light** combines decorative style with practical performance, making it a perfect addition to modern bathrooms. Its distinctive ribbed diffuser softens the light and adds a subtle textured effect, creating a warm and inviting atmosphere around mirrors, sinks or vanity areas.

Designed for safe bathroom use, Virelle holds an IP44 rating, ensuring reliable protection against moisture. During installation, you can tailor the ambience to your space by choosing between 3000K warm white or 4000K cool white light. With a high colour rendering index of RA90, Virelle delivers exceptional light quality, ensuring accurate and vibrant colour representation—ideal for grooming, makeup and everyday bathroom tasks.

Key Features:

- Decorative ribbed diffuser for softened, textured illumination
- IP44 rated, suitable for bathroom environments
- Selectable colour temperature: 3000K (white light) or 4000K (cold white)
- High RA90 colour rendering for excellent light quality
- Stylish, modern design suitable for contemporary interiors
