Upgrade your bathroom lighting with the **Serenova IP65 Ceiling Light**—a sleek, modern fixture designed for reliability in moisture-prone areas such as bathrooms, kitchens and utility rooms. Its minimalist profile blends effortlessly with any interior, while its IP65 rating ensures full protection against water splashes and dust.

During installation, you can customise the light to suit your space with a selectable wattage of 22W or 32W and three colour temperatures (3000K warm white, 4000K neutral white or 5700K cool daylight). This flexibility allows you to create the perfect ambience, whether you prefer a cosy glow or crisp, bright illumination.

The Serenova ceiling light also supports parallel connection, making it easy to install multiple units in series—ideal for larger rooms or commercial applications. Durable, energy-efficient and versatile, it's a dependable choice for modern LED lighting.
