Colour Rendering Index	80
Colour Temperature	3000K Warm White
Lumens	1800 lm
Lumens Per Watt	43 lm/W

Ilgas Pendant Light is a stunning example of Scandinavian design, perfect for enhancing the ambiance of your home. Crafted from Natural FSC[®] certified wood and featuring a sleek, nature-inspired finish, this pendant light embodies both sustainability and style. The slim, streamlined aesthetic makes it an ideal choice for modern interiors, while the dimmable LED module allows you to adjust the lighting to suit any occasion.

Hang the Ilgas Pendant Light above your dining table, kitchen counter, or in your living room to create a warm, inviting atmosphere. Its simple height adjustment feature ensures it fits perfectly in any space, providing both functionality and elegance. The combination of wood and metal materials adds a touch of natural beauty and contemporary flair to your decor.

Colour variations may occur due to wood being a natural material.

The height of the lamp can be adjusted by concealing part of the cable inside the canopy. This way, you avoid cutting the cable. When part of the cable is hidden inside the canopy, the lamp can hang with a minimum cable length of 60 cm.
