

# LED Golf Ball Crown Silver

LED Golfball Filament Light Bulb Silver Cap SES/E14 350lm Dimmable  
3.5W 2700K Warm White

**MR. RESISTOR®**  
Lighting Specialist Est. 1968

## CROWN SILV E14

3.5W 2700K Warm White

Quicklink: Q6EF7

### General

|              |                 |
|--------------|-----------------|
| Cap          | SES / E14       |
| Colour       | Silver          |
| Construction | Glass / Plastic |
| Dimmable     | Yes             |

|          |     |
|----------|-----|
| Dimmable | Yes |
|----------|-----|

### Dimensions

|          |      |
|----------|------|
| Diameter | 45mm |
| Length   | 78mm |

### Electrical

|                          |      |
|--------------------------|------|
| Energy Efficiency Rating | G    |
| Maximum Wattage          | 3.5W |
| Voltage                  | 240V |

### Light Characteristics

|                        |                  |
|------------------------|------------------|
| Colour Rendering Index | 80               |
| Colour Temperature     | 2700K Warm White |
| Lumens                 | 250 lm           |
| Lumens Per Watt        | 71 lm/W          |

The **LED Golfball Filament Lamp Silver Cap SES/E14** is designed as a direct retrofit replacement for halogen SES/E14 lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents but is up to 80% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.
