Create a clean, modern lighting effect with this high efficiency COB LED tape, designed for seamless, dot-free illumination in any interior setting.

Supplied on a 10m reel, this slim 10mm LED strip light is ideal for installations such as under cabinets, shelving, or architectural features.

With an output of 2250lumens per reel, it delivers bright, even light in a comfortable 3000K warm white tone, perfect for cosy residential spaces or hospitality environments.

Thanks to its 25mm cut intervals, this flexible COB strip allows precise customisation for tailored lighting layouts. Its uniform light distribution and compact form factor make it a go-to choice for energy-efficient, professional lighting applications.

Key Features

- COB LED tape for smooth, dot-free light output
- 10m reel length with slim 10mm width
- 24V
- Cutable every 25mm for easy installation

Use linked T-shaped, straight joiner, and L-shaped connectors to easily create corners, extensions, and different lighting layouts.
