Height	51mm
Length	117mm
Width	87mm

The **WISKA COMBI® 310** is more than just a junction box — it's the perfect harmony of form, function, and feedback. Every curve, every feature, and every entry point has been carefully considered to meet the needs of modern installers while upholding the proud heritage of the WISKA and COMBI® Junction Box name. It is the culmination of decades of design expertise, rigorous testing, and an unwavering commitment to quality.

Measuring just 117 × 85 × 51 mm, the COMBI 310 provides 10% more internal space than similar enclosures. Rated IP66/67, it offers superior dust and water protection with 10 × M20 threaded membrane entries plus 4 rear entries for flexible cable access.
