Lumens Per Watt	94 lm/W

Designed by Pepe Fornas, the **Soko 5 wall light** seamlessly blends geometric minimalism with premium craftsmanship. This striking fixture features three stacked opal glass globes that distribute a warm, even glow. The design is anchored by a sculptural, conical marble base and a sleek steel frame, creating a perfect balance of textures.

The Soko 5 serves as both an efficient lighting solution and a piece of contemporary wall art. Equipped with a built-in 16W LED strip and full TRIAC dimming capabilities, it allows you to effortlessly tailor the ambiance of your living room, hallway, or bedside space.
