Quicklink: Q6F8B

General

Cap	ES / E27
Colour	White
Weight	6.8kg

Electrical

Maximum Wattage	60W
Voltage	240V

Halley 112cm (48") Indoor Ceiling Fan blends contemporary minimalism with reliable climate control. Designed with a sleek, low-profile hugger mount, it sits flush against the ceiling, making it a perfect fit for bedrooms, lounges, and home offices with standard or lower ceilings.

It features three reversible blades that allow you to choose between a clean, monochromatic all-white look or a subtle, textured light maple finish to match your interior decor. The integrated light kit is housed behind elegant opal frosted glass, softening the output of two E27 bulbs (not included) for perfect ambient lighting.

Equipped with a quiet, dual-capacitor silicon steel motor, the fan includes a manual reverse switch. This allows you to run it counter-clockwise for a cooling breeze in the summer, or clockwise to redistribute trapped warm air downward during winter, significantly cutting down on seasonal energy costs.

Key Specifications

- Diameter: 112 cm / 44 inches
- Control: Remote control included (3 speeds / light on/off)
- Lighting: 2 x E27 base bulbs (Max 60W, LED compatible)
- Max Motor Wattage: 48W
- Airflow: 142 m³/min (5,014 CFM)
- Noise Level: 49 dB(A)
- Ceiling to Blade Drop: 24 cm
- Ceiling to Bottom of Glass Drop: 35 cm
- Weight: 6.8 kg
