Stay cool anywhere with the **12-inch black desk fan**, the ultimate portable table fan for home and office use. Featuring a sleek gloss black finish, this 3-speed oscillating cooling fan provides instant, customizable relief right on your workspace, kitchen counter, or bedside table. Designed with a built-in carry handle and an adjustable tilt head, it's a lightweight, quiet, and reliable choice for tackling warm summer days.

Key Features

- **3-Speed Airflow Control:** Switch easily between low, medium, and high (and OFF) settings for custom personal cooling. Featuring an oscillating knob to turn on and off the oscillating function
- **Portable & Compact Design:** Lightweight build with a handy carry handle and a generous 1.8m power cable for easy movement.
- **Safe Mesh Grille Guard:** Fully enclosed front protection grille ensures safety around kids and pets.
