With its sleek, minimalist design, the Leta range of spotlights offers the ideal lighting solution for any room. Each spotlight features a sealed glass head with an IP54 rating, making it perfect for use in bathrooms as well as kitchens, bedrooms, or living areas. The fully adjustable heads allow you to direct light exactly where you need it. Compatible with selected GU10 dimmable lamps, the Leta spotlights are available in a range of stylish, contemporary finishes.

Please note, only the linked lamps (LEDFGU1063K38D, LEDFGU1062K38D , LEDGLGU105W36SYL) fit the Leta range. Other lamps may not be suitable, including certain models from the Focus LED Range with 24° and 10° beam angles, due to their curved lens design.
