[Slim Duet Configurator](#) Innovative **Slim Duet** connecting system, a perfect combination between tracks and LED fixtures.

Not only emphasising on characteristics and rapid installation of the modules, it also creates a simple and clean appearance.

Unique designed spotlights, panels and downlight modules are available for multitask lighting requirements to a room.

The Slim Duet Downlights simply click into the Slim Light Track and lock, giving the flexibility to place your lights wherever you wish, without the need for an electrician.
