The **Endurance pillar light** combines contemporary design with exceptional durability, making it ideal for gardens, pathways, patios, and coastal properties.

Featuring a distinctive round ribbed finish and an elegant downlight effect, it creates a warm, atmospheric glow while enhancing outdoor spaces. With an IP65 rating and seaside-grade construction, Endura is built to withstand harsh weather conditions. Finished with a premium 1000-hour salt spray powder coating, the Endurance Light offers enhanced corrosion resistance and long-lasting protection, making it especially suitable for coastal, marine, and exposed outdoor environments.
