Endurance

Endurance Coastal Outdoor Surface Mounted Ceiling Light IP65

12W Dark Grey

ENDURA CEIL DG

12W Dark Grey
Quicklink: Q6FE0

The **Endura surface ceiling light** brings a sophisticated architectural look to outdoor spaces with its distinctive ribbed design and elegant light distribution.

Ideal for covered porches, entrances, and outdoor living areas, it provides reliable illumination while complementing both modern and traditional properties. Featuring an IP65 rating and seaside-grade construction, the Endura is designed to withstand harsh weather conditions and coastal environments, ensuring long-lasting performance and style. Finished with a premium 1000-hour salt spray powder coating, the Endurance Light offers enhanced corrosion resistance and long-lasting protection, making it especially suitable for coastal, marine, and exposed outdoor environments.
