Steko Plus End Cap Right
Grey Left

STEKO P END GR/L

Grey Left
Quicklink: Q7018

General

Colour	Grey
Construction	Plastic

Dimensions

Length	43mm
Width	31mm

The **Steko Plus Endcap** is used in conjunction with the Steko Plus stair extrusion.

Its purpose is to seal up the furthest end of the extrusion to ensure small objects such as dust cannot enter the fitting to interfere with the electrical components inside.

1 left and 1 right sided endcap are used for each line of extrusions.
