Canto Maxi 2 Pillar White can be placed indoors or outdoors, the lamp offers a unique lighting for your outdoor facade and garden. The minimalist design makes the lamp both decorative and sculptural. The light flows both up and down, and it can be dimmable which gives the possibility to change the light according to desire and personal style. 2 x GU10 not included. Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.

This product is part of the "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

- Both up- and downlight
- Built-in parallel connection
- Designed by Danish designer Bønnelycke MDD
- Dimmable
