

## WISEPLATE BMA 1G

Bronze 1 Gang  
Quicklink: Q11BE

### General

Colour                      Bronze

The **WiseRetro Module Plate** is used in conjunction with the WiseRetro Radio Module line of products.

Simply choose the matching module plate finish to go with the corresponding radio module. This allows you to match all your existing switches in your home or office, whilst also benefiting from the advantages that Wise controls offer.
