

# Swish

Queen 240V  
300W Satin Nickel

## TR4251-8 NICKEL

300W Satin Nickel  
Quicklink: Q130C

The **Queen** is an adjustable wall light constructed from steel and borosilicate glass. The top sheet of glass is sandblasted and helps project a glow effect on the ceiling. The underside glass is silk screened which produces a diffused light. The base is also silk screened for continuity.

This fitting takes one R7s 300W linear lamp (available separately).
