The **Nebula Surface 3 Watt** is a LED downlight that requires no cut out and can be attached to most ceiling surfaces. The fitting has a life time of 50,000 hours.

Please note that this product can only be wired in series.

Many different LED power supplies are available that allow you to achieve more with your lighting. Simply select the correct wattage depending on how many total LED fittings it will be connected to.

### LED Driver Options

- Switching - Use this driver for on/off control. Cannot be used for dimming.
- Dimming - Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements
- 1-10V - Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
