Quicklink: Q1561

#### General

Cap G24d-2  
Construction Glass / Plastic

#### Dimensions

Diameter 34.4mm  
Length 154mm

#### Electrical

Energy Efficiency Rating B  
Maximum Wattage 18W  
Voltage 240V

#### Light Characteristics

Colour Rendering Index 82  
Lumens 1200 lm  
Lumens Per Watt 67 lm/W

This non-integrated **Compact Fluorescent** lamp is designed for use with light fittings that contain a ballast and have the corresponding 2 pin lamp socket. Its long life span and high energy efficiency make it a desirable option where a constant light source is required for long periods. This minimises maintenance making it extremely useful in a variety of retail, commercial and domestic situations. The non-directional light source produced by these lamps is ideally suited for general lighting where an even light source is desired.
