The **Quara Square** is a wall recessed spotlight used for indirect lighting. Its ideally used to highlight walkways such as corridors, paths and stairs. The Square has an IP rating of 65, enabling it to be used in a bathroom or outside.

Important

Quara Outer Casing should be purchased for easy burial into a wall.

Many different LED power supplies are available that allow you to achieve more with your lighting. Simply select the correct wattage depending on how many total LED fittings it will be connected to.

LED Driver Options

- **Switching** - Use this driver for on/off control. Cannot be used for dimming.
- **Dimming - Normal** - Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements.
- **Dimming - 1-10V** - Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
