The **Flat Plate Primed White** finish is designed to be painted to help the plate merge with the interior colour scheme.

Ideally suited to walls using flat colour or paint effects, special finishes, polishes or specialist paints. Produced with square corners, it features **trimless inserts** for exceptional product reliability.

The superior quality of the **Horizon faceplate style** has been designed to suit both traditional and contemporary interiors. Produced with square corners, it features **trimless switches** for exceptional product reliability. To ensure design uniformity throughout a project, non-standard accessories can be made to suit requirements.
