The Miss K Table lamp range are contemporary table top fittings created by designer *Philippe Starke*.

The body is created from injected moulded acrylic glass, with a polycarbonate internal diffuser. When illuminated, the internal diffuser shines through the aluminised interior of the shade to reveal a wine glass shape.

The transparent covered cord has a built in dimmer to allow 0 - 100% dimming.

Available in 5 colours, the Miss K range takes an ES lamp with a maximum load of 100W.
