Weight	1.1kg

Dimensions

Depth	80mm
Length	107mm
Width	80mm

Electrical

Maximum Wattage	60W
Voltage	240V

The **Cubetto Ceiling** fitting mixes frosted glass with clear glass to create a beautiful, contemporary fixture.

It can take up to a 60W G9 capsule lamp, and because the inner of the fitting is frosted glass, the light is captured within. This means valuable light is not wasted through the clear sides.

This fitting can be used as a table lamp as well as a wall light.
