Cubetto Ceiling 240V  
50W Crystal Glass

## FAB D28E0100 CLR

50W Crystal Glass  
Quicklink: Q18E8

The **Cubetto Ceiling** fitting mixes frosted glass with clear glass to create a beautiful, contemporary fixture.

It can take up to a 50W GU10 lamp, and because the inner of the fitting is frosted glass, the light is captured within. This means valuable light is not wasted through the clear sides.

This fitting can be used as a table lamp as well as a wall light.
