The **Azumi Plus Wall** contemporary fitting is completely customisable; mix and match from a choice of wall bracket finishes, three shade shapes and three shade colours to suit your room. Benefit also from greater energy efficiency to meet Part L building regulations with the use of compact fluorescent lamps.

The product image above shows the *Azumi Plus Wall* bracket in a bronze finish, with a white *Azumi/Momo Round Shade* used as an example. When purchasing this product, do not forget to order a shade. The complete list of available shade options is shown on the right.

Constructed from zinc and finished in bronze. The separately purchased shade is made from high quality fabric. This fitting is mains switching only and cannot be dimmed. Please note that the measurements below vary depending on the shade type used. A 13W GX24q-1 compact fluorescent lamp is available separately.
