Lumens	900 lm
Lumens Per Watt	64 lm/W

The **Azumi Plus LED Wall** contemporary fitting is completely customisable, mix and match from a choice of three finishes, two shade shapes and two shade colours.

This fitting is the standard Azumi Wall with LED flexible extension, with the **shade available and purchased separately** to allow you to mix and match. When purchasing this product, do not forget to order a shade. Shades are available in round or square shapes in both black and white.

Constructed from zinc and finished in brushed nickel. The separately purchased shade is made from high quality fabric. This fitting is not dimmable and has a switch on its underside to turn the LED light on and off. A 13W GX24q-1 compact fluorescent lamp is available separately.
