The Azumi Table contemporary fitting is completely customisable, mix and match from a choice of three finishes, two shade shapes and two shade colours.

Please note that the shade is available and purchased separately to allow you to mix and match. The product image above is an example, showing the Azumi Table in polished nickel with an Azumi Table Shade square shape black finish. When purchasing this product, do not forget to order a shade. Shades are available in round or square shapes in both black and white.

Constructed from steel and finished in polished nickel. The separately purchased shade is made from high quality fabric. An on/off switch is hidden behind the shade. A 60W E27 GLS lamp is available separately.
