The **Park Lane Grande** is a stylish modern bedside wall light designed not only to colour coordinate with your existing furnishings but provide a design feature in any room in which it is located. It is completely customisable, mix and match from a choice of three finishes and three shade colours.

This fitting is the standard Park Lane Grande with no LED flexible extension, with the **shade available and purchased separately** to allow you to mix and match. The product image above is an example, showing the Park Lane Grande in bronze with a **Rectangle 285 Shade** in white. When purchasing this product, do not forget to order a shade. Shades are available in black, oyster and white square shape.

Constructed from steel and finished in bronze. The separately purchased shade is made from high quality fabric. This fitting is mains switching only and is fully dimming compatible. A 60W E27 lamp is available separately.
