

LED Neon Flex RGB 1.2W 24V

RGB Neon Flex Mounting Clips

LEDLNFXRGB5

Quicklink: Q1A10

General

Construction	Aluminium
Dimmable	Yes

Dimensions

Height	18mm
Width	24mm

The **Neon Flex Mounting Clips** are used to hold the Neon Flex onto a surface. The inside of the clips have diagonal teeth to grip onto the Neon Flex, allowing it to be mounted onto ceilings as well as walls.

Mr Resistor recommends at least 2 clips per meter when mounting onto walls, and at least 3 clips per meter if mounting onto ceilings.
