Battlestar Round Recessed 700mA 3W  
Bronze 3000K Warm White

## R7802 ROUND BRZ

Bronze 3000K Warm White  
Quicklink: Q1A2B

### General

Colour	Bronze
Construction	Aluminium
Dimmable	Yes
IP Rating	IP65

Dimmable	Yes
Operating Temperature	-20°C ~ +45°C

### Dimensions

Cut Out	51mm (Diameter)
Depth	44mm
Diameter	63mm
Plate Depth	4mm
Tube Diameter	60mm
Tube Length	100mm

### Electrical

Amperage	700mA
Maximum Wattage	3W

### Light Characteristics

Beam Angle	30°
Colour Rendering Index	85
Colour Temperature	3000K Warm White
Lumens	210 lm
Lumens Per Watt	70 lm/W

The **Battlestar Round** is a recessed light that can be mounted into walls. It has a waterproof rating of IP65, allowing fitting in wet areas, such as shower cubicles or outside.

Constructed from high quality aluminium with the light provided by a 3 Watt warm white LED. **A tube is included** and must be used with this fitting to allow easy burial and wiring in a wall, inside or outside. This tube is 100mm long but can be cut down to size depending on the wall that it is being mounting in.

Please note that this fitting does not mount completely flush as the picture may indicate, although the front plate only has a depth of 4mm.

Many different LED power supplies are available that allow you to achieve more with your lighting. Simply select the correct wattage depending on how many total LED fittings it will be connected to.

### LED Driver Options

- Switching - Use this driver for on/off control. Cannot be used for dimming.
- Dimming - Normal - Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements.
- Dimming - 1-10V - Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
