Border Garden Bollard Light 240V
Wood 970mm

TR272LNA SS

Wood 970mm
Quicklink: Q1ABF

General

Cap	G24q-1
Colour	Stainless Steel
Construction	Stainless Steel / Glass
Dimmable	No
IP Rating	IP44
Weight	3kg

Dimmable	No
----------	----

Dimensions

Base Diameter	120mm
Head Diameter	48mm
Height	970mm
Length	970mm

Electrical

Energy Efficiency Rating	A
Maximum Wattage	13W
Voltage	240V

Light Characteristics

Halogen Equivalent Wattage	65W
Lumens	900 lm
Lumens Per Watt	69 lm/W

The **Border** bollard fitting is made from stainless steel and powder coated with a strong last lasting transparent varnish for additional protection from various weather conditions. The shade is made from borosilicate glass. Silicone gaskets are incorporated into the design to seal this 240V fitting from water. A fluorescent lamp source is used to increase energy efficiency when in operation.

This fitting is rated IP44 and takes a 13W compact fluorescent lamp (available separately).
