The **Amalfi Plus 370** is an 18W energy efficient uplighter/downlighter that produces a warm expansive glow. The stepped feature on the underside adds to the decorative effect this product brings. Ideal where a subtle additional light may be needed and energy savings are an issue.

Constructed from ceramic materials with white finish. This fitting is not dimming compatible and is mains switching only. A 18W GX24q-2 compact fluorescent lamp is available separately.
