The **Ice Plus Square** is a mains voltage glass downlighter suitable for use in bathrooms and wetrooms up to zone 1. This fitting is rated IP65. This **Ice** version utilises GU10 compact fluorescent lamps to increase energy efficiency, making this product ideal for locations where it will be on for long periods of time or for energy conscious users.

The total depth of this fitting is 71mm, which includes the 11mm glass and metal plate that will sit outside your ceiling cut out.

Constructed from steel and glass and finished in polished chrome. A 70mm ceiling cut out is required. A 50W GU10 compact fluorescent lamp is included.

Please note: Only Stock Available to Order.
