Quicklink: Q1B69

General

Colour	Chrome
Construction	Aluminium
Dimmable	No
IP Rating	IP54

Dimmable	No
----------	----

Dimensions

Cut Out	145mm (Diameter)
Diameter	165mm
Minimum Ceiling Depth	135mm

Electrical

Amperage	500mA
Maximum Wattage	10W

Light Characteristics

Colour Temperature	6000K Daylight
Lumens	600 lm
Lumens Per Watt	60 lm/W

The **Large Superbright** is a powerful 10W downlight used primarily within commercial applications and projects where a ceiling is higher than average. The fitting has a built in 500mA power supply built in for easy installation. The beam angle is 90° for wide spread LED lighting. These fittings are available in *Cool White (6000 Kelvin)* or *Warm White (3000 Kelvin)*.

Product Benefits

- Produces 600 lumens. 60 lumens per watt
- Produces minimal heat
- 50,000 - 100,000 Hour lifespan. (11 years if used for 12 hours every single day)
- Produces minimal heat
- Super energy efficient - 66% more efficient than Fluorescents
- Part L Compliant
- Complete with integral driver

The Large Recessed does not require any other accessories to make it work since the LED bulb lasts from anywhere between 12 - 25 years when used for 12 hours a day. The integral driver also means the fitting can connect directly to the 240V mains power supply.
