The **LED 60mm Recessed 45°** is an exclusive, robust yet attractive, mid-sized (60mm diameter) LED light. It is ideal for path, lobby and deck lighting. It is inexpensive to run and with up to 100,000 hours of LED life, ensures a maintenance free product and makes the GL016 great value for money. The product has cool glass for added safety.

Please note; this product requires a 350mA driver and must be wired in series.

LED Driver Options

- Switching - Use this driver for on/off control. Cannot be used for dimming.
- Dimming - Normal - Use this driver for dimming control. Some dimmers may require a resistive dummy load to meet the minimum load requirements.
- Dimming - 1-10V - Use this driver with a 1-10V dimmer modules or control systems. This type of dimming does not have a minimum load.
