

Ceiling Fan

Industrial Ceiling Fan + Wall Control Switch

White 1420mm

---

The **Industrial + Fan Wall Control Switch** is a stylish modern ceiling fan that is perfect for use in the home, office or as a shop fitting.

The ceiling fan body and blades have a white finish. Simply hard wire to the wall control switch provided for on/off control and to select four fan speed settings. Alternatively, a *Radio Frequency Remote Control* can be purchased for wireless operation. Both methods have four fan speed and on/off settings. A switch is located on the base of the fan to reverse the spin of the blades, cooling rooms in the Summer and trapping heat in the Winter.

*Down Rods* should be purchased if this product is to be located in a conservatory or high ceiling room.

Please see the technical tab for information on selecting the correct fan size, down rods and installation advice. All fan motors carry a ten year guarantee.
