Weight	3.2kg

Dimensions

Depth	102mm
Length	192mm
Width	80mm

Electrical

Maximum Wattage	100W (2 x 50W)
Voltage	240V

The **Cubetto Pillar** fitting mixes frosted glass with clear glass to create a beautiful, contemporary fixture.

It can take up to 2 x 50W GU10 lamps, and because the inner of the fitting is frosted glass, the light is captured within. This means light does not escape through the clear sides of the fitting, therefore reducing glare.
