

Cubetto

Cubetto Pillar 240V
2 x 50W White Glass

FAB D28D0101 WHI

2 x 50W White Glass
Quicklink: Q1E2F

The **Cubetto Pillar** fitting mixes frosted glass with clear glass to create a beautiful, contemporary fixture.

It can take up to 2 x 50W GU10 lamps, and because the inner of the fitting is frosted glass, the light is captured within. This means light does not escape through the clear sides of the fitting, therefore reducing glare.
