Weight	1.6kg

### Dimensions

Depth	140mm
Length	170mm
Width	80mm

### Electrical

Maximum Wattage	50W
Voltage	240V

The **Cubetto Adjustable** fitting mixes frosted glass with clear glass to create a beautiful, contemporary fixture.

The Cubetto can take up to a 50W GU10 lamp, and because the inner of the fitting is frosted glass, the light is captured within. This means light does not escape through the clear sides of the fitting, therefore reducing glare.
