White / Chrome 60W

Quicklink: Q1E57

General

Colour	White
Construction	Silicon / Steel / Glass
Dimmable	No
IP Rating	IP40

Dimmable	No
----------	----

Dimensions

Arm Length	950mm
Base Width	60mm
Vertical Rotation	360°

Electrical

Maximum Wattage	60W
Voltage	240V

The **Snake** bedside light uses a mains voltage halogen capsule light to produce a bright diffused light through a frosted pyrex glass head that can be rotated 360 degrees for full flexibility. The arm is made from silicon and can be purchased in white and black finishes which is also fully adjustable. Polished chrome touches on the base and head complete the fitting.

This fitting is surface mounted so can easily be attached to any wall or furniture piece. This fitting is dimmable but is mains switching only. A 60W G9 capsule lamp is available separately.
