35W Nickel (Bevelled Edge)

DL30864/B NICKEL

35W Nickel (Bevelled Edge)

Quicklink: Q1E62

General

Cap	GU4 / MR11
Colour	Nickel
Construction	Die-Cast Aluminium
Dimmable	Yes
IP Rating	IP20

Dimensions

Cut Out	65mm (Diameter)
Diameter	75mm
Horizontal Rotation	360°
Minimum Ceiling	70mm
Depth	
Vertical Rotation	35°

Electrical

Maximum Wattage	35W
Voltage	12V

The **Black Baffle 35** is a fully adjustable 35mm downlight which has the added benefit over the *Rock 'n' Roll 35* of an integrated black baffle. This recesses the light source further into the downlight, absorbing light at wide angles to eliminate glare whilst also maintaining full light output. The inner ring can tilt to a maximum of 35° for precise beam placement.

The outer ring of this product is permanently attached to the ceiling and the two inner rings are one piece. These two inner rings are easily pulled out to reveal the lampholder. This simply pushes back in place afterwards. No clips or tools are needed, simplifying the lamp replacement process without compromising the design.
