

FAB D75D0702

60W Polished Chrome / Black

Quicklink: Q1E7A

The **Bijou** wall uplight/downlight produces a warm ambient light ideal for highlighting hallways and other wall spaces. This fitting has a waterproof rating of IP44, allowing installation in zones 2 of bathrooms and wetrooms. Constructed from steel and finished in polished chrome around the base. The main frame is available in a choice of three different colours to match your home decor; white, black and silver.

A 60W G9 mains voltage capsule lamp must be purchased separately.
