The **Livorno** mirror light has two embedded fluorescent strip lights located on the edges to remove shadows whilst also providing a glow effect for subtle lighting, perfect for shaving. The mirror opens out to reveal a cupboard behind, with two internal shelves.

This fitting is IP44 rated, making it suitable for locating in bathroom zones 2 and 3. It is constructed from steel and glass and has a pull cord on its base for easy switching. Two 14W T5 fluorescent lamps are included.
